## **How it works (TRADING BEGINS: TBA)**

Each person is given \$25,000 USD in virtual funds to trade with at the start of the competition. Over the course of the month each competitor's daily balance will reflect profit & loss from the previous day. At the end of the month the person with the highest portfolio balance will be the 1<sup>st</sup> place winner of the top prize. An updated listing of the standings will be posted daily by 10:30 am EST.

The individual with highest portfolio value at the end of competition will receive an Alliance Investment Management Limited Online Trading account valued at \$1,000.00 USD. The individuals with the second, third and fourth highest portfolio values will both receive an Alliance Investment Management Limited Online Trading account valued at \$500.00 USD.
